

No. 5:19-CV-289-H

ORDER

The court has carefully reviewed the M&R, objections, and other documents of record, including plaintiff's filings at DE #5 and #6. Based on its de novo review, see 28 U.S.C. § 636(b) (After conducting a de novo review, the district judge may "accept, reject, or modify, in whole or in part, the findings or recommendations made by the magistrate judge..."), the court finds

that the recommendation of Magistrate Judge Swank is, in all respects, in accordance with the law and should be approved.

Accordingly, the court ADOPTS the recommendation of the magistrate judge as its own and hereby DISMISSES plaintiff's claims for lack of subject matter jurisdiction and denies her requests for reconsideration.

This 20th day of December 2019.
